REMOTE CONTROLLED FLAT SCREEN LIFT

Our cutting edge television unit is controlled with a simple push of the button. This unit holds it's own as a beautiful stand alone piece of furniture, and turns heads when you lift the television from inside. Storage below holds all electronic components such as your DVR, cable box, DVD player, ect. On the other side, glass doors and a wine bottle display with mirrored back, brightens the furniture with even more interest. Coordinating mirrors or framed artwork are available to hang on the wall as a aesthetic arrangement when the t.v. in down. This handsome maple cabinet has a durable protective finish.

Television Console

Flip down drawer fronts give easy access to the electronic components inside. Can be equipped with the flat screen lift from above. Drawers and doors below allow for storage. Designer details and solid hard wood construction will keep this furniture in your family for many years!

Entertainment Wall Unit

Special designed etched glass and handles coordinate with room finishes. Hidden speakers. Many different storage options.

WINE COOLER CABINET

This high quality functional cabinet has it all. A two sectioned wine cooler allows you to control each side to accommodate red and white wines. A rubbed finish, large furniture base, and leather paneled doors and drawers set this furniture apart from others! The granite top includes a special edge profile to highlight it's uniqueness.

Our green finish is safe for both you and our environment.
