MOBILE CURRICULUM SHELVING

Solid wood! Solid value! Our sturdy presentation shelving provides a place for everything and everything in its place while giving little hands plenty of room in practical life setups. The open back allows the teacher to "see through". Wider units are especially helpful in visual sequential curriculum planning. Great for long rods, too!

MORE MOBILE CURRICULUM SHELVING

Configure then reconfigure! Heavy duty locking casters give our closed back units great stand alone potential or, grouped back to back, they provide both presentation space for self-directed learning and compartmentalized storage. And, since they are mobile, it is easy to keep the classroom space clean! Our green finish is safe for both you and our environment.
